*Chaired by*

- **Atul Temurnikar**, Executive Chairman, Global Schools Foundation, Singapore

#### **The Growing Dynamism of Vietnam** (Room G3)

Vietnam continues growing with a strong GDP that is forecast to be 6% by 2023. What are the government's future priorities and policies, both at the national and regional level? What does this imply for investors and trading partners, especially those from India?

- **Bradley C. LaLonde**, Managing Partner, Vietnam Partners, Vietnam
- **Bill Nguyen**, Founder and Chief Executive Officer, ABS Institute, Vietnam
- **Mai An**, Co-founder and President, IMT Solutions, Vietnam
- **Ausang Shukla**, Co-founder and Chief Executive Officer, Caphive, India

*Chaired by*

- **Fred Burke**, Senior Advisor, Baker & McKenzie (Vietnam), Vietnam

### **Avoiding the Middle-Income Trap Across Asia (Room G4)**

Asia was heading for a strong economic growth until the COVID pandemic struck and the effects of the Ukraine war became evident. The post-COVID recovery is unclear – and global economic growth is weak. How to manage a more rapid transition into a high-income growth economy across the region? What sectors will attract greater investment and innovation in Vietnam and in India? What are the avoidable pinch-points?

- **Asim Abbas**, Partner, Luthra & Luthra, India
- **Ashwani Arora**, Executive Director, MarketXcel, India
- **Akash Bhavsar**, Co-founder, WaterQuest, India

- **Toufi Saliba**, Chief Executive Officer, Toda.Network, USA

*Chaired by*

- **Pieter Perrett**, Professor, University of Applied Sciences Northwestern Switzerland, Switzerland

### **India and Vietnam in the Current Era (Room G5)**

Both nations have high growth rates and both are aided an entrepreneurial spirit. India, for instance, has the third largest Unicorn base; Vietnam was Asia's top-economy through the Pandemic. Both nations embrace hi-tech and high added value manufacturing to support an Industry 4.0 model. What new government initiatives are needed to boost growth in both nations? Have they opportunities for collaboration – in which sectors?

- **Van Dang**, Chief Executive Officer, Savvycom, Vietnam
- **Tran Hoang**, Chairman, VietnamMarcom, Vietnam
- **Mai Huu Tin**, Chairman, U&I Investment Corporation, Vietnam

### **15.30-16.30 Opening Plenary: Vietnam and India Pivoting upon Global Issues (Auditorium)**

*This plenary session was jointly developed with CII*

The world's economic framework seems to be maneuvered by geopolitical, trade, and health disputes. What effect have these had upon the Indian and Vietnamese economies? How might entrepreneurs from India, Vietnam and the world navigate such uncertainty? Who might be the best partners with whom to develop greater confidence in the future?

- **Nguyen Minh Vu**, Vice Minister of Foreign Affairs, Vietnam
- **Shrinivas Dempo**, Chairman, Dempo Group of Companies; President, AIMA, India
- **Anuj Kacker**, Executive Director and President, Aptech, India
- **Lakshmi Prasad**, Managing Director, Sujay Biotech, India

*Chaired by*

- **Rajive Kaul**, Chairman, Nicco Group; former President, CII, India

### **16.30-17.30 Plenary: Are we Entering a New Era of Deglobalization? (Auditorium)**

The world is facing many difficulties – the pandemic, trade frictions and the war in Eastern Europe, and there is an urge to deglobalize after years of building supply chains. But we will still need to trade; and to solve climate change issues and economic migration. As Asian growth centers, are India and Vietnam promoters of globalization or deglobalization? Which mantra can achieve greater equality, lifting the wealth of poor nations? What are the route maps?

- **Can Van Luc**, President, BIDV Training and Research Institute, Vietnam
- **Sanjay Mehta**, Founder, 100x.vc, India
- **Nasser Munjee**, Chairman, Tata Motor Finance, India
- **Inderdeep Singh**, Managing Director, Continental Devices India, India

*Chaired by*

- **Pranjal Sharma**, Contributing Editor, BusinessWorld, India

### **17.30-18.30 Plenary: The ESG Conundrum (Auditorium)**

*This plenary session is part of the TCS-Horasis initiative ‘Race to Zero’*

Even before COVID-19 disrupted businesses and society, the Environmental, Social and Governance (ESG) movement was gaining momentum. Pressing challenges such as climate change and economic inclusion are accelerating the ESG adoption as organizations transform their businesses to become truly sustainable and gain competitive advantage. How important is ESG today – why are we doing this, who are we trying to satisfy, what is our time horizon and how to measure success?

- **Himanshu Gulati**, Member of Parliament, Norway
- **Siva R Krishnan**, Deputy Chief Executive Officer & Chief Risk Officer, TechcomBank, Vietnam
- **Nguyen Thu Hien**, Professor of Industrial Management, HCM University of Technology, Vietnam
- **Rajeev Peshawaria**, Chief Executive Officer, Stewardship Asia Centre, Singapore

### **19.00 Walk to the Becamex Hotel (the Becamex Hotel is located opposite the Binh Duong Convention and Exhibition Center)**

### **19.15-21.00 Opening Dinner: Celebrating 50 years of Indian-Vietnamese Diplomacy (Becamex Hotel)**

The relationship between India and Vietnam has grown significantly over the past 50 years - the two nations have striven for coherence and consensus. In order to make bilateral ties further thrive, how to work more closely together at the international arena?

- **Nguyen Van Loi**, Secretary of the Provincial Party Committee, Binh Duong, Vietnam
- **Rajkumar Ranjan Singh**, Minister of State for External Affairs, India

*Chaired by*

- **Frank-Jürgen Richter**, Chairman, Horasis, Switzerland

## Monday, 26 September 2022

from 07.00 **Registration** (Binh Duong Convention and Exhibition Center)

### 07.30-08.45 **Breakfast Sessions**

#### **Making India and Vietnam the World's post-COVID Startup Nations** (Room G2)

Indian and the Vietnamese economy and society seems naturally entrepreneurial, rebuilding their creativity year after year, especially now post-COVID. What nurtures this? Is it their regulation systems, legal frameworks or individual behaviors rising from cultural backgrounds? How can both nations turn themselves into start-up nations? What government interventions are needed?

- **Satyam Agarwal**, President – ASEAN & Global Head, Financial Services, CredAble, Singapore
- **Samrendra Mohan Kumar**, Co-founder and Managing Director, MitKat Advisory, India
- **Bhaskar Majumdar**, Managing Partner, Unicorn India Fund, United Kingdom

- **Nandini Vaidyanathan**, Chairman and Managing Director, CARMa Venture Services, India

*Chaired by*

- **Yogesh Singh**, Partner, Trilegal, India

#### **Female Leadership and Why We need it More than Ever** (Room G3)

Multiple studies indicate that female leaders outperform their male counterparts in globally critical areas like handling the COVID-19 crisis or environmental and social governance (ESG) – including measures to counter climate change. So why do women remain vastly underrepresented in leadership positions? What mindset changes are needed? Among men? Among women? In the corporate world and political arena? Can we define the unique qualities and benefits female leaders bring to the table?

- **Francesca Gatti**, Program Manager, Princess Diya Kumari Foundation, India
- **Sushma Morthania**, Vice Chair of the Permanent Commission on Women's Entrepreneurship, World Union of Small and Medium Enterprises, India
- **My Han Tran**, Director, My Han Manufacturing Trading, Vietnam
- **Jessie Paul**, Founder, Paul Writer, India

*Chaired by*

- **Michael Durrie**, Head of Purpose-Driven Change Advisory, The Digital Economist, Germany

### **Reaching out to the Global Markets (Room G4)**

India's and Vietnam's governments want to complement their emphasis on manufacturing with a commitment to growth in exports. How to give export performance the attention and supervision it deserves? How help entrepreneurs match increased manufacturing with increased exports?

- **Mauro De Rita**, Group Chief Sales Officer, Industrie Saleri Italo, Italy
- **Asif Iqbal**, President, Indian Economic Trade Organization (IETO), India
- **Thai Linh Huyhn Dinh**, Chief Executive Officer, World Trade Center Binh Duong New City, Vietnam
- **Murthy R Nuni**, Managing Partner, Marshal Funds, United Kingdom
- **Rama Shankar Pandey**, Managing Director, Hella India Lighting, India

*Chaired by*

- **Robinder Sachdev**, President, Imagindia Institute, India

### **Roles and Goals of SOEs across Asia (Room G5)**

State-owned enterprises (SOEs) play an important role in the economies of Asia, they can potentially boost productivity across the economy as a whole. What are the exemplars in Vietnam and India as well as other Asian countries? How to efficiently manage SOEs?

- **Nagaraja Kumar Deevi**, Managing Partner, Deevi, USA
- **Deepayan Mohanty**, Founder and Managing Director, Hemera Group, India
- **Rakesh Murali**, Co-founder, Stratonik, India
- **Hindol Sengupta**, Vice President, Invest India, India

*Chaired by*

- **Nguyen Cong Ai**, Deal Advisory, KPMG, Vietnam

## **09.00-09.00 Grand Opening (Auditorium)**

### **Dynamic Vietnam – Its New Visions**

Vietnam's partnering with its global partners is creating notable results: reforms and investments have led to 7% GDP growth, increased global trading, and a vision for sustainably upgrading the Mekong Delta Region amongst others. What are the government's priorities and policies, both at the national and state level?

- **Le Minh Khai**, Deputy Prime Minister, Vietnam
- **Vo Van Minh**, Chairman of Binh Duong Province, Vietnam
- **Rajkumar Ranjan Singh**, Minister of State for External Affairs, India
- **Frank Jürgen Richter**, Chairman, Horasis, Switzerland

### **Ribbon Cutting Ceremony, with the co-hosts and co-organizers**

- **Le Minh Khai**, Deputy Prime Minister, Vietnam
- **Rajkumar Ranjan Singh**, Minister of State for External Affairs, India
- **Vo Van Minh**, Chairman, Binh Duong Province, Vietnam

- **Nguyen Van Hung**, Chairman, Becamex IDC, Vietnam
- **Frank Jürgen Richter**, Chairman, Horasis, Switzerland
- **Murat Seitnepesov**, Chairman, Integral Group, Switzerland

### **09.30-10.30 Plenary: India, Vietnam and the World Economic Outlook (Auditorium)**

*This plenary session was jointly developed with AIMA*

The global economic growth expectations for the current year are nearly half the growth last year and the medium term outlook offers no comfort. India and Vietnam are among the bright spots in a generally dismal global economic outlook. What can India and Vietnam do to protect their GDP growth from the inflation shock and consolidate their gains from the shifts in global supply chains? What can India do to insulate its economic rebound from an inflation shock? How can Vietnam sustain recovery momentum?

- **Johan Nyvene**, Chairman, Ho Chi Minh City Securities Corporation, Vietnam
- **Sudhir Jalan**, Co-Chairman, Rieter India, India
- **JS Juneja**, Chairman, Global Projects & Services, India
- **Don Lam**, Chief Executive Officer and Founding Partner, VinaCapital, Vietnam

*Introduced by*

- **Rekha Sethi**, Director General, All India Management Association (AIMA), India

*Chaired by*

- **Vikram Chandra**, Founder, Editorji Technologies, India

## 10.30-12.00 Dialogue Sessions

### **Investing in Vietnam, post-COVID** (Room G2)

The Vietnamese government has concentrated growth on its infrastructure, education and high-tech. Its economic growth has invigorated its competitiveness though there are future global down-side risks. What does the country's investment future landscape look like? Might Binh Duong serve as hub for Indian investments?

- **Warrick A. Cleine**, Managing Partner, KPMG in Vietnam and Cambodia, Vietnam
- **David Jackson**, Chief Executive Officer Vietnam, Colliers, Vietnam
- **Loan Ma**, Chief Executive Officer, Auxesia Holdings, Vietnam
- **Raghu Narayanam**, General Director, Tata Coffee Vietnam Company, Vietnam
- **Nguy Xuan Anh**, Managing Director, NIM Consulting Group, Vietnam

*Chaired by*

- **Kenneth M Atkinson**, Founder and Senior Board Adviser, Grant Thornton Vietnam, Vietnam

### **Industry 4.0: Shaping the Future of Manufacturing** (Room G3)

'Make in India or, in Vietnam' including ambitious digitalization projects have been launched by both governments. How can India become the world's manufacturing hub post-COVID? What are the aspirations of both countries? What strategies are required to unlock productivity and secure long-term economic growth? How to approach the transformation towards Industry 4.0?

- **Shailendra Goswami**, Chairman and Managing Director, Pushkaraj Group, India
- **Le Hung Cuong**, Chief Digital Officer, FPT Digital, Vietnam
- **Yatindra R Sharma**, Managing Director, KHS India, India

- **Suket Singhal**, Group Chief Executive Officer, Secure Meters Limited, India
- **Arvind Uppal**, Chairman, Whirlpool India, India

*Chaired by*

- **B Thiagarajan**, Managing Director, Blue Star Limited, India

### **Entrepreneurs Need Interdisciplinary and Soft-skill Abilities** (Room G4)

Technical qualifications are proposed by many developing nation governments. They sometimes forget that softer skills and foreign language abilities are needed by businesses looking to support overseas projects. As Indian and Vietnam businesses are persuaded to become exporters, what are the major hurdles to overcome? Would mentor centers help present financial and management skills?

- **Cong-Thang Huynh**, Co-founder, InnoLab Asia, Vietnam
- **Kieu Manh Kha**, Chief Executive Officer, Aspire, Vietnam
- **Giridhar Nagaraja**, Chief Executive Officer, Sakhatech, India
- **R Vishal Oberoi**, Chief Executive Officer, MarketXcel, India
- **Robin Nguyen**, Founder, IBI Global, Vietnam

*Chaired by*

- **Divya Lal**, Founder and Managing Director, Fliplearn Education, India

### **Accelerating the State of Digitalization (Room G5)**

The rapid migration to digital technologies driven by COVID-19 will continue into the economic recovery, in both India and Vietnam. How can new technologies be deployed faster as COVID has demonstrated the needs? And how can digitalization remain the new engine of growth post-COVID?

- **Jairaj Bhattacharya**, Chief Executive Officer, ConveGenius, India
- **Piyush Gupta**, Co-founder, Vosmos, India
- **Duy Khang Ngo**, Chief Executive Officer, VNNT Solutions, Vietnam
- **Kartik Sharma**, Co-Founder, DcodeAI, India
- **Srikanth Velamakanni**, Co-founder and Group Chief Executive, Fractal Analytics, India

*Chaired by*

- **Vijay Sambamurthi**, Founder and Managing Partner, Lexygen, India

### **Special Session: Investment Opportunities in Binh Duong (Room G1)**

Representatives of Binh Duong Province and its corporate sectors will present investment opportunities concerning smart city development, manufacturing, infrastructure and Information & Communications Technology (ICT). Binh Duong province is well-known as the new destination for foreign investor. With 30 industrial zones, the province is now recognized as the first in term of FDI attraction in Viet Nam. With its renewed focus on high-tech industries, development of new industrial zones, and expected economic growth of 8-8.5 percent, the province will continue to be a priority for foreign investors. During this special session, representatives of Binh Duong Province and its corporate sectors will present investment opportunities concerning the new vision of development of Binh Duong and the environment that the Province is developing for Investors.

- **Pham Tuan Anh**, Director, Binh Duong Smart City Office, Vietnam
- **Vo Son Dien**, Director Marketing, Becamex, Vietnam
- **Thomas McClelland**, Country Tax Leader, Deloitte, Vietnam

*Chaired by*

- **Mai Hung Dung**, Vice Chairman, Binh Duong Province, Vietnam

### **12.00-13.30 Networking Lunch (Level 2)**

An opportunity to share ideas and insights in an informal setting, promoting B2B exchange.

### 13.30-14.30 Plenary: Ensuring Growth via Sustainable Development (Auditorium)

Economic growth has to go along with an equally high rate of poverty reduction and fulfilling agreed SDGs. In both nations poverty reduction planning began from a low base, but digitizing – especially of agriculture – is rapidly helping growth. How to include the more difficult-to-reach people? How to move them from rural to commercial poverty, and then upwards? Which economic development model will allow greatest inclusive growth? Where are the exemplars?

- **Claude Béglié**, Chairman, SymbioSwiss, Switzerland
- **Vishnu Narayan**, Director, Ceyenar Chemicals, India
- **Nguyen Quang Huan**, Chairman, Halcom, Vietnam
- **Vinod Sekhar**, Chairman and Group Chief Executive Officer, Petra Group, Malaysia

*Chaired by*

- **Pranjal Sharma**, Contributing Editor, Business Standard, India

### 14.30-16.00 Dialogue Sessions

#### Co-developing Regions (Room G2)

Regions of India and Vietnam have centers of excellence, but not all are equally advanced. How to move from labor intensive work towards smart digital and hi-tech industry? Are there outstanding easements of restrictive practices and joint development models that could be proposed by each government? Will greater foreign investment help achieve the desired changes?

- **Vijay Pratap Singh Aditya**, Founder and CEO, Ekgaon Technology, India
- **Girish Bhagat**, Chairman, Saleri India, India
- **Vishal Chordia**, Director, Pravin Masalewale, India
- **Mahesh M Gandhi**, President, AFII Capital, Germany
- **Haike Manning**, Executive Director, Sannam S4 Acumen, Vietnam
- **Andrea Monni**, Co-founder and Managing Partner, Blue Spark Hub, Singapore

*Chaired by*

- **Nicholas Johnson**, Chief Executive Officer, Economists Without Borders, Australia

#### Envisioning and Building Smart Cities (Room G3)

Cities are engines of growth and they are critical to India's and Vietnam's economic transformation. What are the key challenges and opportunities facing cities in both countries? How can India and Vietnam join forces with partners to foster sustainable urbanization?

- **Natalia Blokhina**, Co-founder, Brighter Ventures Inc, USA
- **Varun Mathur**, Chief Executive Officer, Vertice Entertainment, India
- **Pham Thuy Linh**, Vice Director, Binh Duong Smart City Office, Vietnam
- **Anurag Sinha**, Chief Executive Officer, Raam Group, India

*Chaired by*

- **Jitesh Shetty**, Founder, InfiniChains, USA

### **Nurturing Digitalized High-Value Added Firms (Room G4)**

The avowed intent of the governments of India and Vietnam is to be 'Digital First'. This will drive innovation into IoT, industry 4.0 and the benefits of using 5G and 6G. What is needed to accelerate developments? Can joint programmes be envisaged between each nation? Which sectors would offer most returns? And most social and diversity benefits?

- **Manas Gupta**, Co-founder, Billbook, India
- **Nandakishore Harikumar**, Chief Executive Officer, TSanct Technologies, India
- **Danny Ngo**, Chief Executive Officer, INGODT, Vietnam
- **Huy Cuong Nguyen**, Chief Executive Officer, LK Engineering, Vietnam
- **Evelyn Amore Suniega**, Founder, Philceb, The Philippines

*Chaired by*

- **Quyen Nguyen**, Founder and Chief Executive Officer, Sharework, Vietnam

### **Developing Breeding Grounds for Start-Ups (Room G5)**

Both India and Vietnam got a vibrant start-up scene, with some early-stage ventures potentially developing into unicorns. How to ensure start-ups are supported post-COVID? How can venture capital engage with start-ups to boost their businesses? What are the necessary steps to enable groundbreaking innovation?

- **Suman Bose**, Principal and Co-founder, GoFar Advisory and Investments, Singapore

### **Deepening Impact Investing (Room G6)**

Impact investors can push firms to different strategies, often into strong green policies. Sometimes governments protect local firms – would easement attract impact investors affording change? Would mega-sized internationalized Indian and Vietnamese firms benefit from impact investors? What are the government's policies regarding impact investment?

- **Kaustubh Bodhankar**, Deputy Chief Executive Officer, Global Schools Foundation, Singapore
- **Nikhil Chawla**, Founder and Executive Editor, The Unbiased Blog, India
- **Graham Kendall**, Chief Executive, Good Capitalism Forum, Malaysia

### **Special Session: Investment Opportunities in Binh Duong (Room G1)**

Representatives of Binh Duong Province and its corporate sectors will present investment opportunities concerning smart city development, manufacturing, infrastructure and Information & Communications Technology (ICT). Binh Duong province is well-known as the new destination for foreign investor. With 30 industrial zones, the province is now recognized as the first in term of FDI attraction in Viet Nam. With its renewed focus on high-tech industries, development of new industrial zones, and expected economic growth of 8-8.5 percent, the province will continue to be a priority for foreign investors. During this special session, representatives of Binh Duong Province and its corporate sectors will present investment opportunities concerning the new vision of development of Binh Duong and the environment that the Province is developing for Investors.

- **Pham Tuan Anh**, Director, Binh Duong Smart City Office, Vietnam
- **Vo Son Dien**, Director Marketing, Becamex, Vietnam
- **Thomas McClelland**, Country Tax Leader, Deloitte, Vietnam

*Chaired by*

- **Mai Hung Dung**, Vice Chairman, Binh Duong Province, Vietnam

### **16.00-16.30 Contact Break**

### **16.30-18.00 Dialogue Sessions**

#### **India and Vietnam: Boosting Joint Innovation (Room G2)**

India is one of the foremost investors in Vietnam, with each geography perceiving mutual benefit. What are the most beneficial economic sectors in which to concentrate investment and to boost joint innovation? What are the long-term outlooks?

- **Angelo Bona**, General Manager and Board Member, Saleri India, India
- **Hang Dao**, Co-Founder, Conversations on Vietnam Development, Vietnam
- **Siddhaant Mohta**, Consultant, Dentons, India
- **Shanmuga Retnam**, Partner, MARA, Vietnam

*Chaired by*

- **Xavier Prabhu**, Founder and Managing Director, PRHUB, India

### **Managing the Energy Transition (Room G3)**

Climate decarbonization demands we cut our use of fossil fuels that create electricity 24/7 – renewable fuels are intermittent though freely available. How widespread is the shift to renewables in India and Vietnam? Where are specific modes realizable – wind, solar, thermal or hydro? Will both nations be able to generate sufficient electrical power in the future to support their growth plans?

- **Nobumitsu Akai**, Director, JFR Co, Japan
- **Phung Hoai Duong**, General Manager, Signify, Vietnam
- **Jones Ponudorai**, Head- ASEAN, Larsen & Toubro, India
- **Indronil Sengupta**, Chief Executive Officer, Invesify, Vietnam
- **Francis Wong**, Managing Director, Encounter Australia, Australia

*Chaired by*

- **Devin Narang**, Managing Director, Sindicatum Sustainable Resource, India

### **Supply Chain Management is now a Top Priority (Room G4)**

Supply Chains became a necessity of modern business, growing and extending over several decades prior to COVID. Now, with the disruptions due to COVID they need rapid reconceptualization. How to enhance supply chain management? Is it time to re-shore production? How to assess the real efficiencies of using a global supply chain instead of local supply if it existed? How would Indian and Vietnamese multi-national firms view this thesis?

- **Shoummo K Acharya**, Chief Executive Officer, eTrans Solutions, India
- **Amanullah Aman**, Co-Founder and Managing Director, OmVira, India
- **Ho Thi Thu Hoa**, Director, Vietnam Research and Development Institute, Vietnam
- **Prabhu Mishra**, Chief Executive Officer, StemGenn Therapeutics, India

*Chaired by*

- **Siddharth Poddar**, Managing Editor, Unravel, Singapore

### **Developing and Grooming Talent to Lift the Economy (Room G5)**

The pandemic developed our capacity for home-work and home-relaxation but now it is time to boost economic activity by a return to the workplace. How might Human Resources departments nurture home-grown talent to cope with massive digitization and robotization as well as the pressures to meet the SDGs? What are the likely outcomes in both India and Vietnam with their large demographic dividend? What commercial sectors will resist change?

- **Deepshikha Kumar**, Founder, SpeakIn, Singapore
- **Dilip Cherian**, Managing Partner, Perfect Relations, India
- **Duong Quy Sy**, Member of National Council, Education and HR Development, Vietnam
- **Dariusz Gibasiewicz**, Chief Executive Officer, SATIS, Poland

*Chaired by*

- **Nalin K. Singh**, Chief Executive Officer and Co-Founder, Orbit Future Academy, India

### 18.00-19.00 **Closing Plenary: Pivoting Towards Global Roles** (Auditorium)

India has a long history as an Asian pivot, a point around which Asian ideas and trade have revolved and developed. Vietnam's strong position is relatively new and determined by clear government initiatives. Both are buoyant post-COVID, being furiously entrepreneurial and innovative. How may their strengths be best aligned to resolve global issues and boost global economic growth? What are their hidden gems that ought to be promoted by their governments?

- **Kris Gopalakrishnan**, Chairman, Axilor Ventures, India
- **Huynh Quang Hai**, Vice Chairman, VSIP Group, Vietnam
- **Murat Seitnepesov**, Chairman, Integral Group, Switzerland
- **B Thiagarajan**, Managing Director, Blue Star Limited, India

*Chaired by*

- **Rajive Kaul**, Chairman, Nicco Group, India

### 19.00 **Walk to the Becamex Hotel** (the Becamex Hotel is located opposite the Binh Duong Convention and Exhibition Center)

### 19.15-21.00 **Closing Dinner: India and Vietnam – New Growth Initiatives** (Becamex Hotel)

Vietnam and India are strategic partners with deep economic relations and numerous common interests. What efforts need to be undertaken to further develop this partnership? How can Vietnamese and Indian firms partner to forge enhanced growth initiatives?

- **Kris Gopalakrishnan**, Chairman, Axilor Ventures; former President, CII, India
- **Vo Van Minh**, Chairman of Binh Duong Province, Vietnam

*Chaired by*

- **Frank-Jürgen Richter**, Chairman, Horasis, Switzerland
