Welcome

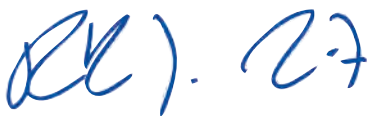

I warmly welcome you to the 2018 Horasis Asia Meeting. My thanks go to Binh Duong Province and Becamex IDC Corp., as well as to all our partners and supporters.

The Horasis Asia Meeting aims to be Asia's foremost annual gathering of the region's most senior leaders from business and government. This annual event is poised to be the ideal platform to explore and advance regional cooperation, impact investing and sustainable growth.

As the economically fastest-growing continent, Asia is the world's new growth engine. During the next two days, entrepreneurs from around the world will discuss Asian firms' rise to global eminence. Participants will also examine the state of the global economy and Asia's role in shaping the new economic world.

It is my sincere hope that the 2018 Horasis Asia Meeting will further promote win-win economic relations and provide business opportunities for corporations from Asia and the world.

I wish you a thought-provoking and exceptional meeting.

Dr. Frank-Jürgen Richter
Chairman
Horasis: The Global Visions Community
Switzerland

Welcome

On behalf of the People's Committee of Binh Duong Province, I would like to warmly welcome you to the Horasis Asia Meeting 2018 – an important economic event hosted by Binh Duong People's Committee. We would also like to express our sincere thanks to Horasis and all partners who have accompanied us throughout the organization of the event.

Horasis Asia Meeting 2018 gathers around 750 distinguished leaders from the central & local government, leading multinational & Vietnamese corporations, and thought leaders from 60 countries around the world. They will participate in 4 plenary sessions and 36 dialogue sessions, focusing on Asia's opportunities & challenges, organizations' vision in the 4.0 Industrial Revolution era and smart city planning & development trends.

According to the World Bank, Viet Nam is one of the most dynamic countries in the East Asia – Pacific region. Viet Nam is classified as one of the 18 outperformers – high growth emerging economies by McKinsey Global Institute.

Located at the center of the Southern Key Economic Zone of Viet Nam, Binh Duong is one of the most dynamic industrial provinces in the country. Binh Duong is also the first Vietnamese province to become a member of the Intelligent Community Forum (ICF) and honored as one of ICF' Smart21 Communities of 2019 for their smart city development strategies.

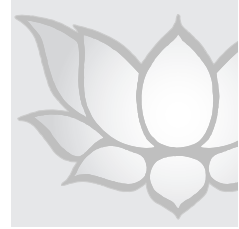

I believe that the Horasis Asia Meeting 2018 is a great opportunity for politicians and business leaders to understand Viet Nam better, especially Binh Duong as a trusted investment destination choice with livable living environment and long-term development strategy.

I hope you will have a wonderful experience in Binh Duong and explore many valuable business opportunities.
